Across Pakistan, twelve lives are lost every hour to preventable heart conditions due to the lack of accessible medical care and unaffordable treatments. In this grim reality, PANAHA stands as a beacon of hope. Founded by cardiac specialists with Armed Forces experience, PANAHA is dedicated to saving the most vulnerable lives. Every day, desperate families arrive at PANAHA, many with children suffering from severe heart diseases. Through its partnership with PNS Shifa in Karachi, PANAHA offers life-saving heart surgeries to children who would otherwise have no options. However, these efforts depend on public support. A contribution of Rs. 100,000, through Donation, Sadqa, or Zakat, could save a child's life, restoring hope and health to families in need. Your generosity can make the difference between despair and hope, between life and death.
